Stay Protected with School Vaccine Clinics

Spring and Summer scheduling for vaccine clinics is now open! Time to check your school's calendar and get a clinic scheduled for your students. These clinics are especially helpful for students about to enter Kindergarten, 6th, and 12th grade.

Just few dates to remember when scheduling:

March 11th & 19th are Flex Days

Spring Break is from April 1st-8th

Last day of the 2023-2024 school year is May 29th

First day of the 2024-2025 school year is August 7th

Cut off date for vaccinations for the 2024-2025 school year is September 4th
